Total Potential Income: ₹12,21,10,10,000 (10 Levels)

Based on perfect 5×5 duplication and plan rates shown above. This is a hypothetical projection, not a guarantee.

Rewards leadership depth by paying the difference between your rank percentage and downline rank percentage.

How it works

Your rank % is compared with the downline rank %. You earn the remaining differential on eligible BV.

Unlimited depth

Applies until a downline reaches the same or a higher rank. Same-rank legs create zero differential.

60:40 qualification

Cumulative BV must follow max 60% from one leg and minimum 40% from all other legs combined.

Net Differential = Your Rank % – Downline Rank %

Example: Diamond 13% – Bronze 5% = 8% differential on eligible BV.

Bronze 5%

Diamond 13%

Crown 15.5%

Star 8%

Emerald 14%

Ambassador 15.8%

Silver 10%

Sapphire 14.5%

President 16%

Gold 11.5%

Platinum 15%

Rank rewards are achievement benefits linked to cumulative BV milestones. Qualification requires the same 60:40 leg-balance rule at every rank.

Rank	Diff %	Cumulative BV	Rank Reward
Bronze Distributor	5%	15 Lakh	-
Star Distributor	8%	30 Lakh	-
Silver Distributor	10%	60 Lakh	₹1 Lac
Gold	11.5%	1.2 Cr	₹2 Lac
Diamond	13%	2.4 Cr	₹4 Lac
Emerald	14%	4.8 Cr	₹8 Lac
Sapphire	14.5%	9.6 Cr	₹16 Lac
Platinum	15%	19.2 Cr	₹32 Lac
Crown	15.5%	38.4 Cr	₹64 Lac
Ambassador	15.8%	76.8 Cr	₹1.25 Cr
President	16%	153.6 Cr	₹2.5 Cr

Condition: For all ranks, cumulative BV must satisfy 60:40 ratio. Rewards are subject to plan eligibility and company approval.

Exclusive for Emerald & Above Ranks

2% of Global Company BV is reserved every month for qualifying leaders.

Eligibility: Emerald, Sapphire, Platinum, Crown, Ambassador & President.

Point System: 1 Point = 1,00,000 Team BV (Monthly)

Payout is distributed based on your points versus the company pool.

Eligibility Requirement

- Aura Users: 2 direct sales
- Starter Pack Users: 5 direct sales
- Develop a 10-level downline structure in any one leg
- Car Fund starts from the next month after eligibility
- Maintain ₹3,00,000 Team BV/month with 50:50 ratio

Example Calculation

Total Business: 5 Cr BV
Car Fund Pool (10%): ₹50,00,000
Total Achievers: 100 Leaders

Monthly Payout: ₹50,000

10% of verified net sales BV is shared equally among qualified achievers.
